2. CLASS SCHEDULE CHANGES

If a student needs a class schedule change for the first quarter only, the student must see his/her counselor before school begins on August 15, 2018. Appointments may be made in the Student Services Office. Students will need to fill out a request form in order for his/her counselor to consider the change of schedule.

3. TEXTBOOK ISSUANCE

Textbooks are issued during their assigned schedule pick up date. Parents should caution their son/daughter to take proper care of all books. Students are responsible for their textbooks; if they are lost, damaged, etc., a fine will be placed on the student’s account and the student must pay for the book/s at the current replacement...
cost. Books must be returned to the Textbook Room and all fines must be cleared with the Activities Office before attending/participating in any school activities.

4. **SCIENCE LAB EQUIPMENT**
A student in a lab science class may be assessed a fee for any damage or breakage to lab equipment for which they are deemed responsible. The fee will be added to the student’s account based on the replacement cost of the damaged or broken item.

5. **ASB Cards**
ASB cards for the school year may be purchased in the Activities Office from the Cashier. This card is available to all students for special discounts and privileges for school activities. Students who participate in extracurricular activities are encouraged to purchase an ASB Card prior to beginning an activity.

El Rancho High School DOES NOT provide medical insurance coverage for school accidents. Students participating in activities, such as athletics, and who do not have insurance coverage, must purchase a high option plan of insurance coverage. An insurance form may be obtained from the Student Body Banker in the Activities Office. Forms must be completed and returned with a check/money order made payable to Myers-Stevens to the Student Body Banker. The Student Body Banker will forward the forms to the insurance company for you.

Students NOT participating in sports but who wish to purchase insurance coverage for the school year must complete an insurance form and mail the form directly to Myers-Stevens at the address provided on the return envelope.

8. **EMERGENCY CARDS**
In the event of an emergency, every attempt will be made to contact the parents if a student requires immediate medical attention. Each student must have accurate emergency contact information on file so that the school has the necessary information in order to make proper contacts. **We encourage all parents to keep the emergency information up to date.**

In the event of an emergency and/or disciplinary action, only the person(s) listed as emergency contacts will be allowed to take the student from campus. Only those listed as an emergency contact may arrange for students to leave campus, call students to the office to speak with them, and/or obtain information regarding students.

9. **INTER-DISTRICT TRANSFERS**
Students who live outside of our school district may apply to attend a school in Pico Rivera. Since attendance at El Rancho High School under an Inter-District Transfer is a privilege, students need to be sure of the following:

All students are bound by the Student Contract, which dictates certain behaviors in preparation for graduation and completion of their senior year. These will be enforced and all seniors will be bound by these. If there is any conflict between Student Contract and any other policy, the more restrictive policy will prevail. Consequences for violation of the Student Contract are listed on the contract itself (next page).

16. CLOSED CAMPUS POLICY
El Rancho High School is a “Closed Campus.” Students are not permitted to leave the school grounds at any time during the school day without a permit issued by the Attendance Office or Administration. When applying for a permit to leave campus, students should present a note from their parents or guardians to the Attendance Office by 8:30 a.m. It is the student’s responsibility to check out with the Attendance Office before they leave campus. Failure to follow proper procedures may result in an unexcused absence, truancy, and/or citation.

17. VISITOR POLICY

In order to register, visitors shall, upon request, furnish the following information:

Although verbal and written requests are acceptable, ERHS prefers that requests or invitations be submitted via email and presented upon check in.
Any visitor may be refused entry or directed to leave school property if his/her presence or actions can be reasonably deemed a disruption of school activities. When an individual is directed to leave under the above mentioned circumstances, they may be informed he/she will be guilty of a misdemeanor if they choose to re enter any district facility within 30 days after being directed to leave. If the individual who was directed to leave is a parent/guardian of the student attending ERHS, this period is reduced to 7 days.

18. CLASSROOM OBSERVATIONS

Individuals who wish to observe his/her child’s classroom must present this request to the teacher or principal/designee at least 24 hours in advance of their intended visit. A teacher may request an alternate date while making an attempt to schedule the visit within two teaching days.

- Individuals will not be allowed to visit classrooms where their child does not attend.
- Classroom visits may occur anytime during the year, except during testing and during the first and last weeks of school.
- Visits shall be limited to 45 minutes with no more than 2 visits per month.
- Recording devices shall not be permitted in the classroom during visitations.

19. CHANGE OF ADDRESS AND/OR PHONE NUMBER - Please read carefully! In an emergency, the office must be able to locate parents/guardians. Please DO NOT block the El Rancho High School phone number, as it will delay the office in reaching you. If a student moves or changes phone numbers, the Attendance Office should be informed immediately. If a parent/guardian changes jobs, the Attendance Office should be informed of the new work phone number immediately.

20. OFF-CAMPUS PERMITS

Off-campus permits are issued for medical appointments and personal matters that cannot be handled after school hours. Students show their off-campus permit to teacher and leave at specified time. There are 3 ways to obtain this permit:

a) Student must present a **signed note** from a parent/guardian to the Attendance Office **before school** or at **nutrition** to obtain an off-campus permit. At that time, an off-campus permit will be issued. **OFF-CAMPUS passes will not be issued during class time. PLEASE ALLOW 10-15 MINUTES FOR YOUR STUDENT(S) TO ARRIVE AT THE OFFICE.**

b) A parent/guardian may **pick up the student in person** that has not presented a note to the Attendance office. Parent needs to arrive **1 hour** prior to the appointment time.

   - If the student has Physical Education or is at lunch at the time of the parent’s request, it **may take up to 45 minutes for the student to arrive at the office.**
• If a parent is arriving to pick up a student and it falls in the last ten minutes of the class period, the parent will need to wait until the next class period begins to have the student called out.

c) Parents may send a signed fax to the attendance office at (562) 801-5306 to request an off campus permit for the student. Please allow adequate time for attendance office to process request and give student time to arrive at the office.

* PLEASE NOTE: If a student should leave campus without permission, (without white off campus pass from the Attendance Office,) a truancy can be issued for the class(es) missed. Please have your student(s) follow policy and always check-out through the Attendance Office.
EL RANCHO HIGH SCHOOL
STUDENT CONTRACT

As a student at El Rancho High School, you have many activities to look forward to over the years, including graduation at the end of your senior year. All students have the responsibility of setting the standard for behavior on campus and school events. To ensure that this year is a great one, it is important that you (and your parents/guardians) understand the school rules, expectations, and the consequences of not following those rules.

1. Academics
Seniors must fulfill all district and state graduation requirements in order to be granted a diploma and participate in the Commencement Ceremony.

2. Attendance
Attendance for all students will be monitored during both semesters and an attendance review will be conducted on any student who has excessive absences and/or tardies (12 or more) during a semester. The review will include excused and unexcused absences, single period, full day absences, tardies, and truancies. All major activities will require all unexcused absences, tardies and truancies to be cleared by attending Saturday School before you are allowed to purchase tickets or attend a school related function.

3. Conduct/Citizenship
All students are expected to maintain acceptable citizenship and conduct themselves in a positive manner. This is a requirement for participation in any school activities, including Senior Activities and the Commencement Ceremony. Any student who accumulates four (4) or more on or off campus suspension days or becomes subject to a suspended expulsion order in that same time frame may forfeit participation in any School Activity.

4. Fines
All fines must be cleared with the Activities Office before attending/participating in any school activities, including Senior Activities.

Please remember that you are responsible for following school rules on the way to and from school, and at any school activity, including sporting events and dances on and off campus.
EL RANCHO HIGH SCHOOL GRADUATION REQUIREMENTS

Requirements for graduation include the following: Satisfactory citizenship, satisfactory attendance for four (4) years (grades 9-12) and satisfactory completion of 220 high school credits in grades 9-12 as listed below. Remember that in order for a senior to participate in the commencement exercises, that student must have fulfilled all requirements for graduation. All students are required to pass Algebra I, as either a one or two year course. As we transition to the Integrated Math sequence, completion of Integrated Math I will meet the Algebra 1 requirement.

Purpose of the School Site Council (SSC)

California Education Code

The California Education Code (ECC64001a) requires the School Site Council (SSC) to develop a Single Plan for Student Achievement (SPSA) for Consolidated Application programs operated at the school. The council must recommend the proposed plan to the local governing board for approval, monitor its implementation, and evaluate the results. At least annually, the council must revise and recommend the plan, including proposed expenditures of all funds allocated to the school through the Consolidated Application, to the local governing board for approval. (California Department of Education, September, 2002)

Who Can Join?

The council members are comprised of parents, teachers, administrators, classified employees, as well as students and the meetings are open to the public.

The main duties of the SSC are to:

1. Obtain input from a variety of advisory committees
2. Review school characteristics
3. Analyze current educational practice and staffing
4. Analyze student performance data
5. Establish school goals
6. Review available resources
7. Select specific improvements
8. Consider centralized services
9. Recommend the SPSA to the local governing board
10. Monitor progress (the main function of the council)
11. Evaluate the effectiveness of planned activities
12. Modify the SPSA as needed

WORK PERMIT ELIGIBILITY

A. INITIAL SCHOLASTIC ELIGIBILITY

In order to be eligible, any student entering from the eighth (8th) grade into a four year high school must have achieved a 2.0 grade point average on a 4.0 scale in enrolled courses at the conclusion of the previous grading period.

1. PROBATIONARY PERIOD

The governing board of each school district may adopt, as part of its policy, provisions that would allow a student who does not achieve the above requirement in the previous grading period to remain eligible to have a work permit during a probationary period. The probationary period shall not exceed one semester in length, but may be for a shorter period of time, as determined by the governing board of the school district. A student who does not meet the above requirements during the probationary period shall not be issued a work permit in the subsequent grading period.

If it is determined that a student be issued a work permit during the probationary period, letters of notification will be sent to parent/guardian and employer notifying them that the student has entered a probationary period. During the probationary period, the student will have the opportunity to meet the qualifying standards for a work permit that will allow the permit’s probationary status to be removed. However, failure to meet the minimum requirements by the end of the probationary period will result in the immediate revocation of the work permit.

B. Continuing Eligibility

In order to be eligible, any student entering from the eighth (8th) grade into a four year high school must have achieved a 2.0 grade point average on a 4.0 scale in enrolled courses at the conclusion of the previous grading period. The student was passing in the equivalent of at least 20 semester credits of work at the completion of the most recent grading period.

1. MINIMUM REQUIREMENTS

A student is scholastically eligible if:

(a) The student is currently enrolled in at least 25 semester credits of work.

(b) The student is passing in the equivalent of at least 25 semester credits of work at the completion of the most recent last regular grading period.

(c) The student is maintaining minimum progress toward meeting the high school graduation requirements as prescribed by the governing board.

(d) The student has maintained a minimum 2.0 grade point average on a 4.0 scale in all enrolled courses during the previous grading period.
(e) The student must demonstrate good attendance and student cannot have any truancies in their attendance record for that year.

2. **GRADING PERIOD**
   The grading period is that time when all students in a school are graded. If two grades are given at the end of a grading period, scholastic eligibility shall be established according to the grade given for credit.

3. **INCOMPLETE GRADES**
   A grade(s) of “Incomplete” shall not be considered a passing grade under this bylaw unless, by operation of a school grading policy, said “Incomplete” grade shall become a passing letter grade without further achievement or accomplishment by a student at a certain time.

   When an “Incomplete” grade is issued, which does not automatically become a passing grade, as indicated immediately above, such “Incomplete” grade shall not satisfy the requirement until the academic deficiency, which gave rise to such “Incomplete” grade, has been satisfied and a passing grade has been substituted for the “Incomplete” grade. Upon such substitution, the substituted grade shall be considered in determining scholastic eligibility by evaluation of previous grading period grades and the substituted grade. A scholastically ineligible student may become immediately scholastically eligible upon such evaluation.

C. **REVOCATION OF WORK PERMIT**
   If at the conclusion of the probationary period a student has failed to meet the minimum standard of a 2.0 grade point average needed for maintaining a work permit, the immediate revocation of the work permit will occur.

   If a work permit is revoked, a student may be eligible to obtain another work permit during the following grading period if the student meets the minimum standard of a 2.0 grade point average. A student will not be eligible to enter into a Probationary Period following a revocation. A student who does not meet the minimum requirements will not be issued a work permit.

Notice to Parents Regarding Student Fines

El Rancho High School is dedicated to providing our students with quality materials and a working environment that provides every student the opportunity to maximize their high school experience. In doing so, ERHS property is often issued to students in the form of textbooks, library books, uniforms, equipment, etc. Once issued, this property is the responsibility of the students and, ultimately, the parents/guardians. Students are expected to return all issued property at the conclusion of their enrollment in each class or activity. Items that are not returned will be considered lost and result in a fine being placed on the student’s record. Fines will be issued for items that are unreasonably damaged.

Any questions regarding fines may be directed to the Business/Activities Office during the hours of 7:30AM-3:30PM. Fines can be paid at our Cashier’s window, 30 mins before school, during lunch, and after school until 3:30 p.m.(Min Days until 1pm) or on The Don Page, at any time. The Business/Activities office will accept payments via cash, cashier’s check/money order (made payable to El Rancho High School), and VISA/Mastercard with matching photo ID. If there is a dispute regarding a fine, a formal conference may be requested by contacting the Business/Activities Office.

Students with unpaid fines will jeopardize their participation in any school related activity including, but not limited to, the following: athletics, cheer, ASB Commission, band, drama, school dances, home athletic events, graduation activities, etc. In addition, those who have fines on their record will not receive their diplomas or transcripts until they are in good standing with the Business/Activities Office.

With your help, ERHS can continue to provide our students with a positive environment and quality materials that will no doubt make their high school experience an enjoyable one.

Thank You,

THE PERSONAL RESPONSIBILITY OF AN EL RANCHO HIGH SCHOOL STUDENT

As a student of El Rancho High School, you are expected to be aware of and to accept your individual responsibilities in the following areas:

THE TEACHING-LEARNING PROCESS
You deserve the best instruction that El Rancho High School is capable of providing. For the efforts of the teachers to be as successful as possible and for you to work and achieve to the best of your ability, you must cooperate with the teachers. Teachers facilitate the process of learning in the minds of the students. Learning is a natural process and unless students work at gaining knowledge and understanding “…no genuine learning ever occurs, no matter what teachers try to do to make it occur” (Adler).

RESPECT FOR THE RIGHTS OF OTHERS
Every right you have has attached to it an obligation. Your rights must be balanced against the rights of others, and their rights must be balanced against yours. In addition, the purpose of the school and the requirements of the educational process must be weighed in deciding who has a right to do what and what behavior needs to be punished. That is why our society has laws and why a school has rules. However, if you are one of those students who wants to take full advantage of your rights and opportunities at this school, while at the same time respecting the rights of others, we at El Rancho High School will support and help you.

RESPONSIBILITY FOR YOUR OWN ACTIONS
You will be held responsible only for the things YOU do or fail to do. What others do or do not do is of little importance in determining whether you have accepted your responsibility as a student-citizen of El Rancho High School. If you choose to follow bad examples set by a few of the other students at El Rancho High School, you will be held responsible for your own actions and your actions only. The decision will be yours and so will the consequences. Your first responsibility, then, is to decide how you should conduct yourself while you are at school. Your second responsibility is to be prepared to accept the consequences of your actions.

El Rancho High School
HONOR CODE
Cheating is defined as, but not limited to, the following:
- Copy or allow any assignment to be copied by any method
- Use any unauthorized aid on quizzes, tests, or exams
- Steal, possess, or view a copy of a test beforehand
- Give or receive help on a test
- Take someone else’s work and submit it as yours – PLAGIARISM
- Scan, alter, or forge any school document
Anyone found to be violating the HONOR CODE will be dealt with on an individual basis and may receive any of the following consequences from teacher and/or administrator:
- Automatic “F” (failure) on the assignment(s) or test(s)
- Parent conference
- Referral placed into student’s file
- Student removed from any and all elected or appointed leadership positions for the remainder of the semester or school year
- Student removed from all extracurricular activities for the remainder of the semester or school year
- Disciplinary actions may be taken.

**ATTENDANCE OFFICE**

**EVERY DAY COUNTS** in your child's education. Every day a student misses school, he/she falls more than two days behind his/her peers. Every day a student is in school, he/she raises his/her chances to score well on tests, participate in school sponsored activities, and become a responsible member of the El Rancho High School Student Body. It is your child’s duty and responsibility to be involved, which begins with being present and on-time every day.

In a coordinated effort to improve attendance, El Rancho High School requires good attendance to participate in all school related activities. Excessive absences and/or tardies may result in the loss of participation in Athletics, Cheer, Pepsters, ASB Commission, Band, Drama, school dances, home athletic events (football games etc.).

Please remember to:
- Make sure your child comes to school every day and on time. Mondays & Fridays School begins at 8:30 am; Tuesday-Thurday School begins at 7:55 am.
- Students are encouraged to arrive 10 minutes before the scheduled start time to ensure on time arrival to class. School gates open at 6:45 am.
- Schedule doctor’s appointments after school hours.
- Plan your family vacations during school breaks and holidays.

By understanding and promoting that every day counts, together we can continue making positive steps forward – leaps in terms of your child’s future.

“If you’re early, you’re on time. If you’re on time, you’re late.”

**STUDENT ATTENDANCE**

Pupils aged 6-18 are required to attend school full-time, with regular and punctual attendance. Schools are required to enforce this compulsory attendance law. When children are absent the entire school day, the reason must be identified and recorded as either excused or unexcused. Excused absences are compliant with the compulsory attendance law; unexcused absences are noncompliant and subject to truancy law after three incidents. It is the responsibility of parents to notify the Attendance Office immediately of all absences.

Excessive absences and/or tardies may result in the loss of participation in Athletics, Cheer, Pepsters, ASB Commission, Band, Drama, school dances, home athletic events (football games, etc.).
Excused absences recognized by California State Law:
● Personal Illness-Without a doctor’s note
● Death/funeral of immediate family member (1 day local/3 out of town)
● Medical/Dental appointments (requires doctor’s note)
● Extended illnesses requiring hospital or doctor’s care requires a doctor’s note
● Appearance in Court
● By the discretion of an administrator

Unexcused absences recognized by state California State Law:
● College Visits
● Funeral services outside the immediate family
● Religious holiday or ceremony of student’s own religion
● Identified Family Emergencies
● Babysitting
● Extended non-medical absences will not be excused.
● All other absences are considered unexcused/truant when a student is absent from school without authorization or clearance from the Attendance Office.

ABSENCES

When a student returns from an absence, parents can do one of the following:
● Call the Attendance Office at (562) 801-7510
  A-G dial extension 17512 *  H-N dial extension 17511 *  O-Z dial extension 17513
  ● Write a note and drop it off in the attendance office
  ● If an absence is not cleared in twenty one (21) days, a truancy will be issued. Saturday School and/or Truancy Citation may be assigned on confirmed truancies.

ABSENCE, TRUANCY and TARDY POLICY

1. A student is considered truant after three unexcused absences; three unexcused tardies of more than 30 minutes equal one unexcused absence. After a student has been reported as a truant three or more times in a school year, from the date of enrollment to the current date, he/she is considered a chronic truant.
2. Teachers may fail pupils who are absent 25% (22 absences) during a semester and do not have a doctor’s excuse or an administrator’s exemption due to an emergency. Students whose absences exceed 22 days must continue to attend the class despite the failing grade.
3. A “chronic absentee” has been defined in CA Ed Code 6901 (c) as a student that is absent 10 percent or more from school from the date of enrollment.
4. On the 7th absence (excused or unexcused) a “chronic absentee” notice will be mailed home. For every future absence there-after, excused or unexcused will need to be verified by a physician, school nurse, or school employee.

5. Students who accumulate excessive absences may be referred to SART (Student Attendance Review Team). A meeting will be held with Administration and assigned counselor who will address the student’s attendance with the student and his/her parent or guardian. If necessary, habitual truants will be referred to the district’s SARB (Student Attendance Review Board).

6. Consequences for poor attendance may include, but are not limited to the following:
   - Parent-Teacher conference
   - Placement on a daily attendance contract
   - Daily sign-in sheet
   - The parent may be required to make a classroom visitation
   - Detention
   - Saturday school
   - Loss of school related privileges such as: field trips, athletics, after school activities
   - Removal from extra curricular activities
   - Removal from elected and appointed leadership positions
   - Issue a Truancy Citation

**TARDY POLICY**

“If you’re early, you’re on time. If you’re on time, you’re late.”

Student Expectations:
- Because tardiness interferes with satisfactory classroom procedures and disrupts the learning process, all students are expected to report to all classes on time. Students should report to school 10 minutes before the school day starts.
- Students are to be seated in their assigned seat by the time the tardy bell rings. Students who are standing inside or outside of class will be considered tardy.
- Students are required to be in class for the first and last ten minutes of class. Those leaving the classroom/office are required to possess a visible “blue” pass.

**Tardy:**
- 1-3 Warning to student.
- 4 -10 Detention
- 10-14 Saturday School
- 15 Banned List
The Dean will contact parents and assign Saturday School. In addition, one or more of the following interventions may be assigned:

- Parent-Teacher Conference
- Placement on a daily contract
- Daily sign-in
- Classroom visitation by the parent
- Loss of school privileges such as: field trips, dances, etc.
- Removal from extracurricular activities
- Removal from elected and appointed leadership positions
- **Referral to Student Attendance Review Team (SART) or Student Attendance Review Board (SARB)**

**SATURDAY SCHOOL**

Saturday School begins at 8:00 a.m. and ends at 12:00 noon. Students are to report to the cafeteria **no later than 8:00 a.m.** Students should arrive at least 10 minutes early.

The student is responsible for coming prepared with schoolwork or reading materials (Newspapers and magazines are prohibited).

- iPods, MP3 players, etc., are prohibited. Cell phones must be turned off and should not be visible or they will be confiscated.
- Bicycles and skateboards must be locked.
- Student must attend for the entire 4 hour period in order to receive credit.
- If a student is asked to leave Saturday School at any time due to behavior issues, he/she will be considered absent and may be suspended and/or may receive a truancy citation.

* Failure to serve Saturday School will be considered defiance and may result in the loss of participation in Athletics, Cheer, Pepsters, ASB Commission, Band, Drama, school dances, home athletic events (football games, etc.) and/or suspension.

**THE BANNED LIST**

**What is the Banned list?** The banned list is a report generated by the Student Services Office that determines student eligibility for after school events.

**How does a student end up on the banned list?** A student ends up on the banned list for two main reasons. The first is if the student is tardy to class more than eleven times, so on your twelfth time, you are banned. The second primary reason is if you have six or more period truancies.
**What is a truancy?** Students get a truancy when they do not go to any class and their parents do not excuse their absence. For example, if you are sick and you forget to have your parents clear your absence, you would get a full day of period truancies, and be banned. **So it is essential that your parents clear your absences.** (They have twenty days to do so) You will also earn a truancy if you ditch or miss any class for **any reason that is not excused.**

**Is the Banned list permanent?** If a student is placed on the banned list he or she can still go to any event as long as:
1) By the week before the event the student has cleared their truancies, so that they are under 6 period truancies.
2) By the week before the event the student has cleared their tardies and are under 12 tardies.
3) Tardies and truancies DO NOT reset at the beginning of the second semester. They are with you all year.

**How does a student know if they are on the banned list?** Students should keep track of their own tardies and truancies on Student Portal. Truancies are labeled as ‘T’ on the attendance page. Tardies are labeled as both ‘L’ (less than 30 minutes) and ‘M’ (more than 30 minutes) on the attendance page.

**How does a student make up truancies and tardies?** Students are able to make up their truancies and tardies by:
1) Attending Saturday school for:
   a) Normal Saturday School (10 tardies or 6 truancies cleared)
   b) Saturday School Enrichment - Teacher held to help students with the classes. Determined if and when by classroom teachers. (10 tardies or 6 truancies)

   c) After School Campus beautification - On case by case basis, 2 tardies cleared per 45 minutes worked. Only available with prior approval from student services.
   d) Athletics, held on Saturday do NOT clear tardies. They will continue to clear truancies.

**HOMEWORK REQUEST**

Parents may request homework for pick up from their child’s teachers as long as the request is put in **24 hours ahead of time.** The homework is requested at the Student Services Office and may be picked up after the 24 hour notice. No same-day requests will be granted.
UNASSIGNED/OPEN PERIOD(S) DURING SCHOOL DAY

Students who have unassigned/open periods at the beginning or end of the school day must leave the school campus. These students must be in possession of student ID and open period/off campus pass at all times. Loitering is prohibited on school grounds.

FLOWERS, BALLOONS, FOOD ITEMS, AND OTHER DELIVERIES
Students are not permitted to bring balloons, flowers, food items, beverages and baked goods (cakes, cupcakes etc.) to school at any time. Flowers, food items, beverages and baked goods will not be delivered to students during school hours. *Money can be delivered to the attendance office only.

PLEASE DO NOT DELIVER ANY ITEMS THROUGH THE GATES. SUCH ITEMS WILL BE CONFISCATED.

ACTIVITIES AND DANCE POLICIES

Students interested in participating in school sponsored events or extracurricular activities (Winter Formal, Prom, etc.) must complete a clearance form through the Student Services Office and the Business/Activities Office. All requirements from each office must be met before clearance is given and students are allowed to purchase tickets.

All students are encouraged to participate in school planned activities. School planned activities include but are not limited to: school dances, Winter Formal, Prom, athletic events, field trips and Graduation Commencement. Because school planned activities are considered a privilege, student must be in good standing at ERHS. Good standing for this purpose can mean that the student: has good and regular attendance, does not have excessive tardies, and has satisfactory classroom and campus behavior. Students who are truant as defined by Education Code 48620 and students who are suspended the day of the event will be denied admittance.

Activity Permits

Activity permits must be obtained 72 hours in advance of the activity from the activity supervisor, coach, club advisor, or teacher. Permits signed by parents and teachers must be returned to the activity supervisor. Teachers have the right to refuse permission for students to leave their class for activities.
**Lost and Found**
Lost items are turned into the Activities Office. Students may check in the Activities Office to claim lost items. Lost and found items not claimed will be given to a local charity.

**Textbooks**
Students will be issued textbooks in core courses. It is the student’s responsibility to care for the books properly and return them to teachers/Textbook Room at the conclusion of the course. Fines will be levied for damaged or non-returned books. In addition, students are often issued school property for other classes/activities, such as athletic or band uniforms. Failure to return school property will also result in a fine placed on student records. **Students will not receive their diplomas or transfer their transcripts until all fines are cleared.**

**HEALTH SERVICES**
Students are responsible for reporting all injuries that occur on school grounds. First aid treatment is given only for injuries occurring at school. When further medical attention is required, the school will contact parents so that they may take the student to a family physician. If the injury requires immediate medical attention, paramedics will be called. It is imperative that the school has current phone numbers, both home and work, so emergency contact can be made. Please **DO NOT** block the El Rancho High School phone number as it may delay the office getting in contact with you. Students who become ill at school should report to the Health Office where parents will be contacted for permission to have the student leave school or to be picked up. Students who leave ill without going through the Health Office will be counted as truant and therefore unexcused.

* **STUDENTS ARE NOT TO CALL OR TEXT MESSAGE PARENTS FROM PERSONAL PHONES FOR PICK UP.**
SCHOOL BEHAVIOR, DISCIPLINE, and POSSESSION POLICY

The purpose of the following school discipline policy is to state the standards of conduct that students and faculty deem necessary for an effective learning environment. To encourage this atmosphere and to encourage student achievement, emphasis is placed on **respect** for self and others, as well as responsibility for care of property. Disciplinary steps will be taken as appropriate.

- Every student must correctly identify himself/herself when asked to do so by any school employee and **must be in possession of a school I.D. card at all times**.
- School Personnel are authorized to conduct searches, including personal property (cars, backpacks, cellular phones, etc) when there is reasonable suspicion that the search will uncover evidence that the student is violating the law or rules of the district or the school (Ed Code 49050).
- All gym lockers are property of El Rancho High School and are subject to search by school personnel. The school is not responsible for lost or stolen property.
- In the event a student exhibits any signs of alcohol / drug consumption, the breathalyzer exam / Field Sobriety procedure may be used. It is not the intent of the District to randomly test students. It is the intent to have the breathalyzer exam / Field Sobriety Test procedure to serve as a deterrent to students attending school or school functions after consuming alcohol or drugs. Breathalyzer exams will be conducted by school administrators or designees. The procedure will be administered in a secure area away from student traffic whenever possible and the results will be forwarded to the Principal for appropriate action. Parents will be notified when their student tests positive for the presence of alcohol / drugs.
- **Refusal to submit to the breathalyzer exam / Field Sobriety Test procedure will be considered to be a positive test** for presence of alcohol / drugs. The student will be disciplined in accordance with district policy.
- Even though an offense may not be listed in this handbook, students are expected to use common sense and good judgment. Logical consequences are determined by administration in all situations, published or not.
- A Major Offence may result in a citation or arrest by a School Police Officer or a Los Angeles County Sheriff Deputy.
- Please review the ERUSD Parent-Student Handbook available at [www.erusd.org](http://www.erusd.org) for district policies related to Student Services.

**Minor Offenses and Interventions**

**Menu of Interventions for Minor Offenses**

*(Classroom Managed Misbehaviors)*

- **Clearly define / post** the behavioral expectations.
- **Implement procedures for all class routines** – entering the room, handing in assignments, sharpening the pencil, welcoming a guest, etc.
- **TEACH and ROLE-PLAY** the behavioral expectations, classroom procedures, use of materials, etc. Demonstrate what the expected behavior “looks like” (positive example) as well as what it “does not look like” (non-example).
- **Pre-correct** – Prior to directing students to perform a task, provide a description of what the expected behavior will look like. “In two minutes we will break for lunch. I expect everyone to put their materials away, push in all chairs and quietly line up for lunch.”
- **Cue / Prompt / Remind** – Provide a pre-arranged / previously taught cue to remind specific students to engage in the appropriate behavior.
- **Acknowledge students** who are appropriately demonstrating the expected behavior.
- **Specifically explain** HOW the behavior did not meet the stated / taught expectation. “It is disrespectful to other students when you ______.”
Provide a warning – “Respect is one of our school rules. All students are expected to talk respectfully to all adults and students here at El Rancho High School. This is an official warning.”

Check for student understanding of the behavioral expectations -- “Please summarize for me what we have discussed so I am sure there is no confusion” (written or verbal).

Evaluate the student’s skill repertoire – Determine if the student is capable of demonstrating the behavioral expectation. Make sure to evaluate both behavior and academic domains.

Determine the FUNCTION of the misbehavior. All misbehaviors serve a purpose (function). Determine what the student is gaining or avoiding by engaging in the misbehavior.

Provide a structured choice – clearly offer a choice between two alternatives and state the consequence for each. “You can work quietly on your assignment now and leave with the class or work with me during lunch.”

Evaluate ENVIRONMENTAL factors within the classroom which may be contributing to the misbehavior: Space, Time, Materials, Interactions (peers, adults).

Collaborate with colleagues to identify behavior patterns and trends (class to class, year to year, etc.).

Use a variety of consequences – Positive Reinforcement, Negative Reinforcement, Penalties and Punishments. Remember, punishment is the least effective consequence for students with anti-social behaviors.

Evaluate the effectiveness of consequences. Ineffective consequences must be analyzed and modified. Seek assistance for “out of the box” ideas.

Document interventions with a Low Level Referral (LLR)

Involve a problem-solving team (grade, team, family, SST, 504, IEP).

**CHRONIC MISBEHAVIORS:**
Questions to Consider

Is the student consistently receiving Tier One (school-wide) behavior supports?

Does the student possess the skills necessary to:

A. Appropriately resolve conflicts with peers and/or adults?
B. Successfully complete academic requirements?
C. Resist peer recruitment (gangs, drugs, hazing, etc.)?
   If no, what targeted skill development is necessary?

What INTERVENTIONS, as opposed to punishments, have been implemented?

What ENVIRONMENTAL FACTORS* (triggers) at school are contributing to the misbehavior?

A. What is missing or present in the environment which supports the continued use of the misbehavior?

What FUNCTION* does the misbehavior serve? What is gained or avoided by engaging in the misbehavior?

Has the student been seen by the school counselor?
☐ Has the student been provided targeted skill development? i.e., anger management, conflict resolution
☐ Has the student been seen by a private agency?
☐ Has the student been paired with an adult mentor to help build positive school relationships?
☐ Does the student have a behavior contract or Behavior Support Plan (BSP)?
☐ Has the student been referred to the Student Success Team (SST)?
☐ Has the student been diagnosed with a medical / psychiatric condition which requires medication?

REMINDER: Punishments are one of the LEAST EFFECTIVE responses to students who demonstrate a pattern of anti-social behavior. Students with chronic behavior concerns, will require interventions which are thoughtfully constructed and routinely evaluated for effectiveness.

Tier 2 Interventions:
- Identify Environment & Functional Factors which may have contributed to the misbehavior
- Re-teach school expectations
- Discuss supports and interventions
- Notify the following:
  - Counselor
  - Guardian

OR

Safety EC 48900
Safety High Level EC 48915
Suspension: 1-5 Days

- Identify Environmental & Functional Factors which may have contributed to the misbehavior
- Discuss supports and interventions
- Schedule meeting with academic and/or mental health counselor to proactively address Environmental & Functional Factors
- Implement Tier 2 Intervention
- Consider and/or enroll in targeted group intervention based on violation
- Document in SWIS
- Notify the following:
  - Teacher
  - Counselor
  - Guardian
  - Attendance
- Meet with Guardian (Pre or Post Suspension)

Multiple Suspensions: 2 or more

- Follow Steps of Suspensions above
- Evaluate the effectiveness of previous consequences and interventions
- Implement Tier 2 - 3 Interventions
ERHS Tiered Supports & Interventions

Tier One Supports (School-wide):
Tier One supports are proactive and preventative in nature. Since Tier One (school-wide) supports are built into the structure of the school, all students may benefit from these academic and behavioral supports.

School-wide behavior supports include:
- Explicit teaching of expected behaviors
- Consistent acknowledgement and correction of student behavior
- Data-based decision making
- Active supervision
- Safe and welcoming culture

Tier Two Supports (Targeted):
Tier Two supports (academic / behavioral) are short-term, scientifically-based interventions which are highly efficient and provide rapid response for students who are not making adequate progress with Tier One supports alone.

Targeted behavior supports include:
- Targeted skill development
- Function-based interventions
- Increased support and feedback
- Increased progress monitoring

Tier Three Supports (Individual):
Tier Three Supports (academic / behavioral) are long-term, intensive interventions which focus on individual students. Tier Three supports are appropriate for students identified, through the systemic review of data, as unable to make adequate progress with Tier One and Two supports alone. Tier Three supports may or may not include special education identification and placement.

El Rancho High School (ERHS) recognizes that membership in extracurricular and co-curricular student organizations can significantly enhance the learning and growth experiences of students. In accordance with state and federal laws, ERHS adamantly prohibits any form of hazing by any student extracurricular or co-curricular organizations. All new member orientation, initiation activities, and other group activities are expected to refrain from hazing in any form. Further, these activities should support the attainment of all purposes stated in the goals and objectives of ERHS.

No student activity, student team, individual student, volunteer, or employee shall conduct nor condone hazing activities. Hazing activities are defined as:

"...any action taken or situation created, intentionally, whether on or off ERHS property, to produce mental or physical discomfort, embarrassment, harassment, or ridicule. The investigation may be followed by formal charges or a formal disciplinary hearing in accordance with the student or employee conduct due process procedures outlined in the El Rancho Unified School District policies and procedures and/or contracts. The express or implied consent of participants or victims will not be a defense.

All student organizations that are a part of ERHS must agree to the rules and policies of the ERHS. The acceptance of this agreement will allow the organization to exist and represent their school and district.

I have been informed of and will comply with the ERUSD Anti-Hazing Policy.
